> **Good Tidings of Great** Joy From Franklin, MY.

On the fourth Sunday in October Rev. J. H. Thurman, of Belzoni, Miss., preached three soul-stirring sermons. He is a great preacher and he doe not only present the gospel in a logical and scholary way but he is po werful s well. Dr. P. H. Kennedy of, Henderson, Ky., was with us in the afternoon and made a fine talk and received a nice after collection. The collection during the day was \$175.00 and the best of all it happened to be pastoal day. We closed on the second \$1,60; pastor preached, collection Sunday in November a glorious neeting Rev. J. M. Moore assisted me in the meeting and done most of the preaching. He is a powerful preacher and a great worker on the floor among sinners. Some young preachers cannot do much good preaching at their home church where they were reared. But Rev. was reared up here and grained up in this church and my people love to hear him preach. His sermons in this section will be long remembered, the result of which forty-five happy souls were added to the church, saying they had been born again. At the close of the meeting the converts and other members and friends presented me a fine baptismal suit, and to say that I thank The Conference anjourned after them is not enough but I am without language to express my gratitude for their kindness shown me and I pray that the Lord may bless them in whatsoever they do and that they may prosper. And also This body metat Main St. church Rev. Thomas Hampton another son of thunder did valuable work in present Revs. B. M. Johnson, W. the meeting. On the second Sun-Douglass, Fuller, Quaries, Butler, ty happy souls in the presence of a Buckner, G. P. Smith, Mayfield, large crowd both white and colored Taylor, Hawthorn, Henderson, we fellowshipped the candidates that night. Now our congregation is growing so large that our house is not large enough to accommodate them, therefore the minds of all the members and friends are turned to-
